

## Social & Rural Infrastructure Leader

**We are Habitat Infrastructure Experts.** We, at Epsilon Group provide versatile and economical solutions in PEB & Prefabricated Structures, Smart Sanitations Solutions, Localised Sewage Systems & Water Storage Solutions for your project needs.

- PEB & Prefabricated Structures: precise, popular & practical
- Smart sanitation solutions
- Dependable & portable sanitation solutions at your convenience
- Bunk house-ideal solution for all site work
- Leaders in water storage solutions
- Environment friendly and cost effective way of treating human waste-Bio digester
- Packaged domestic wastewater treatment plant- underground (FRP)
- FRP anaerobic septic tank for medium and large applications
- Water Storage Solutions
- Environment Solutions

Savvyish Prefabricated Systems

Practical Prompt & Popular Prefabs

## SOCIAL & RURAL INFARSTRUCTURE LEADER

- Offices at Ahmedabad, Pune, Jabalpur, Lucknow.
- Manufacturing plant at Ahmedabad, Bhopal and Pune.
- ISO 9001: 2015 Quality management compliant Co

- Pre Engineered Buildings
- Prefabricated Structures. Like Bunkhouse, portacabin, container homes, Site offices, Security cabins, Industrial enclosures and PUF panel customised prefab buildings
- Smart Portable Sanitations solutions.
- Smart Mobile Sanitations solutions.
- Smart Prefab Sanitations solutions.
- Leaders in water storage solutions.
- Environment friendly and cost effective way of treating human waste-Bio digester.
- Packaged sewage treatment plant-underground (FRP).
- FRP anaerobic septic tank for medium and large applications.

## PEB ( PRE ENGINEERED STEEL BUILDING )

### Value

- Lower initial investment.
- Lower maintenance cost.
- Environmentally friendly as all material can be recycled.

### Strength

- Our structures are designed and built to withstand severe weather conditions wind, snow, rained earthquakes.

### Flexibility

- Easy to expand.
- Easy to modify.
- Design flexibility.
